

2010 Sitra membership rates – fees held at 2009 levels

Sitra membership fees are dependent on the number of full time staff you employ. The fees are also dependent on the time of the year you join. If you join in May, for example, you only pay for the remainder of the year, but receive a year's worth of discounts.

Membership applies to the whole of your organisation so everyone can make use of our services. Included in your membership fee is a copy of the *Sitra bulletin*, a key trade journal for supported housing practitioners and commissioners. The table below sets out our membership rates.

Order 5 additional subscriptions in August and pay: £40.75 (8.15 x 5 = 40.75)
